THE ACE OF SPADES

A 10 Episode Adventure Picture..Starring William Desmond

Episode 7 "The Trail of Terror"

Olive and Harvey drop from the burning balloon in parachutes and meet a band of Indian Police who supply them with horses.

Trask and his gang abduct old Martin Heath, whose brother they have murdered, and take him to their lair over the border, leaving a note, written on the death dealing Ace of Spades, stating that the price of his safety is the deed to the gold bearing claim held by Olive. They are directed in the note to ride to Aspen with the papers. They follow the Black Spot gang to Aspen, when a great sand storm comes up. Both the Trask gang and Harvey's party lose their horses and each other, wandering blindly on foot in the desert hurricane. Old Martin drops unconscious to the sand. Trask and his henchman Dineen, facing death in the storm, fight for possession of the only ~~horse~~ horse. Olive falls in a bog of quicksand. Harvey, going to her rescue, slips into the danger zone and the two gradually sink into the treacherous sand.
